Subject: RE: EPA's Registration Review Process and State Labels

Since consultation regarding EPA mitigations came up in our conversation, I thought I would share with our state colleagues the webinar presentation that came out today. It discusses ESA interim mitigations that EPA intends to use. There is a 75 day comment period and the docket information is in this presentation. EPA will also provide a recording of the presentation.

Best Regards,

Amy McCaskill (she/her)
US Regulatory Portfolio Lead, Insecticides

Subject: RE: EPA's Registration Review Process and State Labels

Dear Folks:

Thanks for agreeing to participate on the State / EPA / Industry work group to address EPA's Registration Review process and approval of state labels. Please fill out this [doodle poll](#) to find a time in mid-November to convene virtually and outline the tasks ahead. (The individuals CCed here are not expected to participate in the poll or the work group meeting.) I have retained below the brief explanation shared with our EPA colleagues. The members of this work group include the following, and I'm trying to recruit someone from Cal DPR. Let me know if you have any questions.

- Sarah Caffery, State of Indiana
- Mary Tomlinson, State of Maine
- Linda Arrington, EPA/OPP/PRD
- Eric Bohnenblust, EPA/OPP/RD
- Amy McCaskill, BASF, for CLA
- Julie Mills, Bayer, for CLA
- Emily Saad, Exponent, for CLA
- Ray McAllister, CLA staff
